ht this hour 5 p. m.—quietness prevails in the district south of the Sette, where the trouble has been most pronounced. The prompt action today of the military and the knowledge that they have orders to use any amount of force to disperse the rioters has had the effect of cowing the mob. When night falls, however, further trouble may occur, but the authorities declare that they will put down disorder even if it becomes necessary to order the soldiers to fire volleys into the crowd.

Another disgreeful scene was witnessed in the chamber of deputies today. The proposal was made that the chamber should at once proceed to discuss the subject of riots, but M. Dupuy, the prime minister, opposed such action, this opposition was seized upon by the extremists to make a demonstration. They howled and yelled, and a general uprear followed. For a time nothing could be heard but cries and counter cries, and the utmost disorder prevailed. When order was libally restored the chamber by a vote of 377 to 133, past-posed consideration of the question until Monday.

Monday.

At 11 o'clock there was sanguinary encounter on the Rue des Ecolocs. The exact details are wanting, but it is known that republican guards charged upon the robers with drawn swords and that the police opened fire with revolvers on the crowd. One man was killed on the spot by a cut from a safer. Others were taken to the neighboring drug stores, where their wounds were dressed.

ringw's Great Race Meeting Will Begin Next Monday.

HORSES SHIPPED YESTERDAY

Pinel payments in the cathe races are coming in rapidly, and the caticok for a big field in every class is deridedly encuraging. Very few are dropping out. Fully aims tenths of those who made nominations will make their final payments. If the purse races fill as well as the stake races are filling the August meeting ought to be as lively and interesting ought to be as lively and interesting an exhibition of sprinting as Grand Rapids has ever seen. In the yearling stake race eighteen nominators have already made their last payment. Even if only half of these go into the race it will be an exceptionally big field for a yearling class. At Independence last summer there were 135 nominations. Of these only thirteen made the final payment, and only six colts showed up in the race. Fourteen final payments have already been made in the 2:30 trot. All the nonimators have not yet been heard from; but so large a propertion made the third payment that it is not probable that many of them will probably be heard from before the end of the week.

Substury's string of fifteen horses was shipped to Saginaw yesterday. Whitecap will be given his first chance to show the staff that's in him. He is eatered in the 2:30 pace.

Samuel A. Browne & Co. shipped eight horses to Saginaw yesterday. Vassar is entered in the 2:31 pace, and will make an effort to show his heels to Whitecap. He ought to do it; but most of the California unknown. He may not know how to handle himself in a race, and then again he may know enough to break away from the field and win in a walk. Salsbury does not train horses for his health, and the fact that he has entered the green pacer in a race is sufficient grounds for believing that Whitecap can show up better than the average horseman would be led to expect. Dancourt is entered in the 2:30 trot. Maloney went to Saginaw with the horses last night. Mr. Horses have yet had a chance this year to show what they can do, and housemen are naturally anxious to see how his flyers show up in the race.

The Dowagiac stock farm will send three or four horses to the track in a few days.

Taral Makes One of His Wonderful Finishes, Breaking the Record.

Finishes. Breaking the Record.

Curcago, July 5.—Taral's wonderful finish and Wildwood's game race were the features of the races at Washington park today. The grand horse carried 115 pounds and in a fierce drive broke the record for one mile and seventy yards. Wildwood was always a favorite in the betting and was heavily played being backed from 8 to 5 down to 6 to 5. With agood start Sweet Elossom was in the lead, with the others close up. Sweet Blossom set a hot pace around the first turn and down the back stretch, but rounding for home the favorite shot to the front, but his life was short, for Loudon coming with a rush on the inside soon held command; but Taral rode one of the strongest finishes ever seen on this truck, and in the last jump managed to land the favorite a winner by a neck.
